

NATURE IS OPEN

Let's get out and play!

Summer might be a little different this year, but its mainstay – the outdoors – remains open. Spending time in nature is as easy as stepping into your neighborhood.

Five Rivers MetroParks wants to help you connect to nature this summer in a safe way. Visit metroparks.org/natureisopen to access a variety of fun activities, lists of places where you can explore the outdoors, informative videos, tips and more.
